WEEKDAY PRESCHOOL

Two-Year-Old Classroom

Our Two-Year-Old classroom helps children grow socially, emotionally, and academically in a loving, faith-based environment. The focus is on learning to be a good friend, sharing, and following classroom expectations while building independence through play.

Children enjoy:

- Music class twice a week
- Daily Bible lessons and a monthly memory verse
- Play-based learning with themed units
- Early literacy and math through songs, stories, and calendar time
- Introduction to letter sounds and recognition

Teachers plan hands-on activities to develop fine and gross motor skills and partner with parents to support potty training when children are ready.
