## WEEKDAY PRESCHOOL

### Young 4's/Older 3's Class

Our Young 4's classroom is designed for children who need a little extra time to grow and mature while beginning a more academically structured, faith-based preschool experience.

This class supports children who turned 4 in the spring or summer or who will turn 4 in the early fall. Learning is intentional and engaging, with a strong foundation in early literacy, math, and social development.

**Children experience:**

- Daily Bible lessons and a monthly memory verse and chapel once a month
- Guided phonics and alphabet instruction based on the science of reading
- Math through calendar time, number recognition, counting, patterns, and measurement along with thematic units that support literacy, math and science
- STEM class weekly and music twice a week

Social skills are emphasized as children practice being good friends through sharing materials, taking turns, cleaning up, and participating in group activities during play, snack, and lunch.

#### **Class Details**

- Ratio: 14 children / 2 teachers
- Hours: 9:00 AM – 1:00 PM
- Schedule: 4 days per week (Monday–Thursday)

#### **Enrollment Requirements**

**Child must:**

- Turn 4 between September 2 and December 30, 2026, OR
  - Have turned 4 in spring or summer 2026.
- Submit GA Immunization Form 3231 or a religious exemption
- Children must be fully potty trained
