

## Older One's

### 15-Month-Old Class

Our older 1 year old classroom provides a gentle introduction to school in a loving, faith-based environment. The focus is on helping toddlers learn to separate from parents, build independence, and feel safe exploring their surroundings.

Children are supported through:

- Loving care from consistent teachers
- Play-based learning and exploration
- Singing, music, and story time
- Early social interactions with peers

Our small class size allows teachers to give each child individual attention while encouraging confidence and self-direction.
