September 13 at 11:30am in  
the Lower Hall:  
Re-CONNECT Potluck

Join us for a potluck and bring a dish if you're able. An entrée is preferred, but any dish is welcome. It'll be a wonderful opportunity to connect with one another through fun, interactive games. Following the meal, our special guests, Rick and Leslie Kroeker, will share about the impactful work of Living Waters Adopt A Child.

October 18 at 1:30pm at  
Canadian Brewhouse & Grill:  
Bowling

Spend the afternoon with us for bowling and community connection. Whether you're a pro or just out for some laughs, it's all about enjoying time together. Come ready for friendly competition, good conversation, and plenty of fun!

Registration is required for this event.
