Managers Note

Summer Camp has **BEGUN!!** It is so good to hear the laughter, yelling and worship around Camp! We are SO excited to see what God is going to do this summer because He is certain to move in the lives of kids and adults alike.

We have to pause a moment and say **THANK YOU!!** There is no way that we could get to this point, being ready for summer camp without a lot of work from a lot of volunteers. The amount of people who have had a hand in this place is overwhelming. Camp does not exist without people coming together and working together. Thank you just doesn't seem like enough, but that's all we can say. Thank you to those individuals who have come out this spring to physically work! Thank you to everyone that donated items to fill our pantry for the summer! Thank you to everyone who has bought items off our Amazon Wishlist! Thank you to all of our deans! Thank you to all the faculty that will work this summer! Thank you to everyone who financially supports us!

In other news, be sure to check out Instagram and Facebook to see the progress on the new dorm building. We have walls and a roof that is all metaled now!! It is so exciting to watch a plan of God come about! Thank you to everyone that continues to donate toward this building project as we are still striving to finish funding it. It will be completed in God's timing, God's way!

It is certainly not too late to sign up for summer camp. Be sure to register the kids in your life for camp. What better way to spend a week of the summer? Away from the distractions, out in God's creation, getting to spend a week laying the foundation for a deep, personal relationship with Jesus! We ask that you continue to lift Camp up in prayer. Pray for our deans, our faculty, and the campers.

Pray that hearts would be open, patience would be long, and that lives would be changed in the name of Jesus Christ!!
