KERRY'S

OMMENTS

I love Louisville Bible College!

- Her faith in Christ is the world's hope
- Her main textbook (The Bible) is the truth
- Her mission is needed now more than ever

If I were choosing a Bible College I would choose LBC...

- Her costs are minimal
- Her faculty is experienced in ministry and qualified academically
- Her course formats offer both in-person and online options

I would contact LBC immediately...

- To know God's word better
- To equip myself to serve Christ more effectively
- To get info on enrolling for classes which begin August 11

Some of the best experiences of my life were enjoyed during my time as a Bible College student. The knowledge I gained, the friendships I made, and the doors for Christian service that were opened have lasted throughout my life. Actually, some of the most beneficial and impressive work God ever did for me was during Bible College. Therefore, I encourage everyone to seriously consider enrolling for at least a class or two.

At Louisville Bible College you will...

- Get to know your professors and classmates personally
- Be treated as a fellow member of God's family
- Be expected to grow into greater Christ-likeness

Louisville Bible College offers a complete range of academic programs from auditing a class to obtaining a Master's Degree. What would be best for you?

And now for the BIG NEWS!

- Previous Registration & Tech Fees have been replaced by a \$50 Student Enrollment Fee per semester
- Students 65 years and over receive a 50% tuition discount on all for-credit courses
- For the 2025-26 Academic Year only, all for-credit students get their first course tuition free
