July 2025

What's New!

The month has once again been busy. Between traveling to the Connect Conference in Wisconsin, to the 3 unexpected baptisms, and the planning for 3 overseas trips life has been hectic. But in the midst of that chaos is encouragement! Support raising has been slow but seeing people come to Christ has been steady! This month we also rolled out our new website (link is at the end), a subscription form (please subscribe at the end), and the updated newsletter format (you're reading it). God is Good!

Connect was Encouraging!

What can we say about connect? It was incredible. There was praised, there was extraordinary prayer, and tons of connection. So many servants from around the world and shared firsthand how God is working in their fields. The key focus on the week was prayer and at the end of this week God really spoke in so many was!

James Decided to Follow Jesus

We lead a small Bible study group at our home on Monday nights. For the past year we have been doing a 52-week study on the life and teachings of Jesus. We have been following the book Quest 52: Pursuit of Jesus. In July a young man in our group named James made the profound decision to call Jesus Lord!

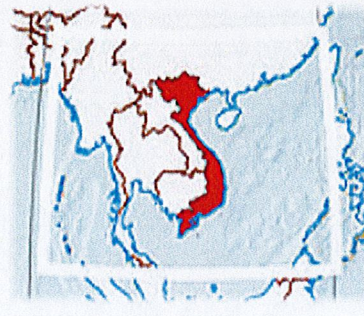

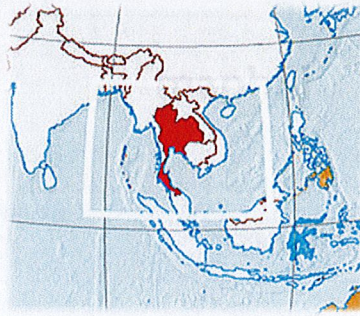

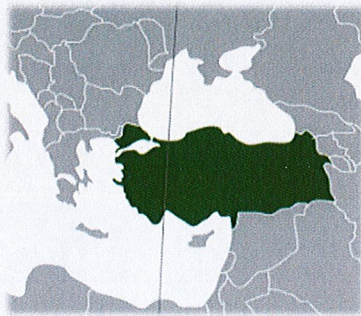

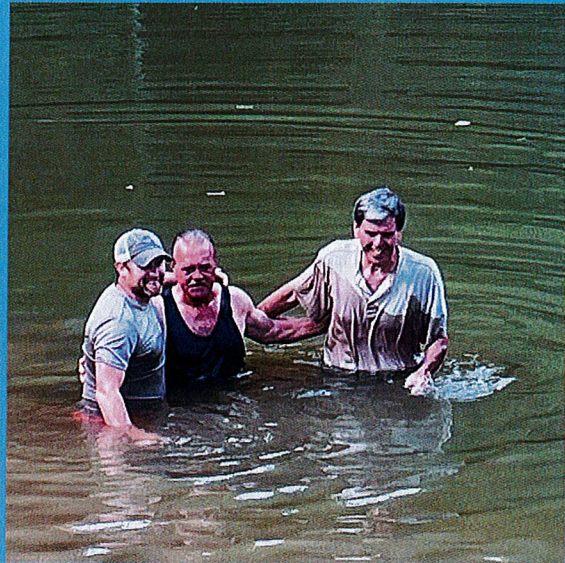

Lindsey took the Plunge!

We often share with others about making Disciples as we go. Our mission field is all around us! Lindsey and Brooklyn met at physical therapy and after weeks of prayer and encouragement Lindsey expressed wanting to be Baptized. With a sense of urgency, she accepted Christ as her Lord and Savior!

Scotty Went Down to the River!

One evening we received a call about a man named Scotty who wanted to be immersed into Christ. However, a little help was needed to get down into the Salt River and then back up the hill again. The water was refreshing! Great joy was expressed by all who witness Scotty accept Christ!

Continue to pray for the upcoming trip to Turkey in October. We will be linking up with Team Expansion missionaries who are already in the field!

The Thailand trip in November will be a busy. The trip will include being on the road for at least 4 hours every day and sleeping in tents. Pray for the whole group!

The Vietnam trip is still months away, but we are already preparing for the journey. We continue to hash out all the details. Pray for all the planning, projects, and resources to fall into place!

Prayer Requests

We would like to continue many of the prayer request from last month into this month and then add a few!

- **Pray for us to have 10 more encounters with potential supporters.**
- **Pray that we raise our last 30% by December!**
- **Pray for Brooklyn as she deals with some health issues!**
- **Pray for Turkey, Thailand, & Vietnam.**
- **Pray for us to continue to step out in faith and obedience.**
- **Praise God for the 3 new additions to the kingdom.**
- **Fall is a heavy recruiting season for Team Expansion- Pray for more workers!**
- **Always pray the unreached!**

A Word from Doug Lucas

There Are No Small Moments

Recently, while debriefing some workers who just arrived back from the Middle East, Brittany (our Quest Coordinator) quoted Todd Bussey (our Board Chairman), "There are no small moments." What if we could learn to view life in this way. Think about the impact for grasping the sovereignty of God. Would it not also help us embrace Ephesians 2:10? "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." Bottom line: Your actions aren't small to Jesus-ever. When you act in Christ's Name, you make a statement. You underscore a purpose. You stand up for the lost. You are literally in partnership with Him. Your favorite Team Expansion worker has learned to embrace this concept. It's part of what fuels our fire. May it empower you

throughout the coming month. So today, please remember, there are not small moments.
