Camp Calvary Ladies Retreat September 19-20, 2025

Being busy is a common state in the fast-paced world we live in, often worn like a badge of honor and accepted as the norm. The workloads, packed schedules, family responsibilities or commitments, and social engagements many of us juggle regularly can often lead to feelings of being overwhelmed, exhausted, and even distracted from relationship with our Heavenly Father. In His word, God shows us that rest is a necessity, and He explains where true rest can be found - in HIM.

Our hope and prayer for this year's retreat is for God to quiet our souls and give us rest in His presence. We will worship the God who created us and calls us to Himself and allow God to restore our souls with His presence.

*"Come to me, all you who are weary and burdened, and I will give you rest.
~ Matthew 11:28 NIV*
