

PRAYING FOR OUR PARTNERS

In the U.S. and Abroad August 2025

THAILAND

An unseasonal rain has caused damage to an already unstable situation for Burmese refugees in Thailand. IDES is helping restore living conditions to be safer and bring hope to those hurting. Pray these refugees will not only receive relief, but Christ's love as well.

FLOODING

Since the beginning of the year, half a dozen states have experienced flooding. KY, WV, VA, MI, TX, and more. IDES has been active in multiple sites helping people recover. Pray for those affected and for restoration.

Galaxy A54 5G

KENYA

Through our partners, IDES is able to distribute 450 Bibles, pump water to a school, and install a farming irrigation system. Pray this project will lead to spiritual renewal and revival amongst the people who are receiving aid.
