Managers Note

It doesn't slow down very much during August, but we do get to catch our breath after summer camp. We had two fantastic events this month. The 3D Archery Shoot had 190 participants and raised over \$11,000 for Camp. We cannot express how grateful we are to Rusty Ruble and his team for the effort they put in to organize this event. Be sure to mark your calendars for next year, it is always the 2nd Saturday of August!!

We also had Adventure Camp 2. Mark & Jane Redmon were the deans. They and their team did an amazing job, and the campers had a fantastic time! We have another Adventure Camp coming up, October 3rd-5th. If you have ever considered volunteering for this weekend, you should. It is such a rewarding weekend, and a wonderful way to serve!!

There's still time to register for Ladies retreat 2025! Just visit kycampcalvary.com for more details and to register for the weekend!!

Men's retreat is fast approaching, October 24th, and registration for it will be open soon. Keep an eye out on social media and our website for that to open.

Please continue to keep Camp in your prayers and all the events that are coming up. These are GREAT opportunities to pour Christ into people, and that is our sole focus, to make God known!!

The work on the dorm is beginning again, after a break for summer camp. Our desire is that it will be complete and ready for use next summer, but the project is not fully funded yet. Instead of worrying about it, we are choosing to trust God. We know that it will be finished when God has determined for it to be finished. We do ask that you pray for this project, and our patience to wait on God. Also, we ask that if you feel lead to give, please do so. One way to do that is to join us in celebrating Camp's 65th year by donating \$130 toward the new dorm. That's \$65 in celebration of what God has done the last 65 years, and \$65 for what God will continue to do over the next 65 years.

Thank you for your constant and continuous support of Camp Calvary and what God chooses to do here!!
