Managers Note

Around Camp, we are constantly busy preparing for the next event or fixing whatever is broken, we often get focused on the tasks to be completed, and fail to pause. To occasionally pause and reflect is good practice in all areas of life. It allows us a moment to look back at both successes and lessons learned, and to see the movement of

God. In the moment we often can only see the hardships and frustrations. "Why teach? These kids aren't listening." "Do we really have to weed eat this again? It's way too hot." "How did they manage to get mud there?"

When we look back, we recognize the movement of God, instead of the momentary uncomfortableness or inconvenience.

This year we saw 23 campers surrender to God for the first time through baptism. We saw marriages that were positively affected at RE:Fresh. Families who got a big breath of encouragement at Connect Day. Men who swallowed a lot of pride and reached out to have conversations at Men's Retreat. God has been using Camp Calvary to touch the lives of people for 65 years, and 2025 was no different.

Thank you Lord, for what you continue to do here at Camp Calvary. Thank you for the lives that have been touched, the volunteers that you send here, the financial needs that are met time and time again. Thank you for our staff who works tremendously hard to make Your presence felt the moment people pull through the gate, by being prepared, and making things as comfortable as possible. Thank you for allowing all of us to be a part of your plan here at Camp. As we move into 2026, guide all the events, conversations, teaching, and decisions that happen here. Let it all be for Your glory, and Yours alone!!!
