

GUYANA MISSION

ALNESS REVIVAL CHRISTIAN CHURCH

May to September 2023

Greetings in the wonderful name of our Lord Jesus Christ. Its been a while since we shared with you what is happening here at ARCC. So much has been happening in this part of God's vineyard.

In the month of May we celebrated our mothers on Mother's Day. The following Sunday the Women Ministry celebrated their 15 anniversary with a beautiful service. The ministry is growing. In July we celebrated the Youths at our Youth Sunday service which our youths conducted the service at the end they were all gifted with a gift from the women's ministry. We are extremely happy with the growth of our youths.

The month of August saw our Women Ministry embarking on their first backpack and school supplies drive. This took a lot of work but in the end it was successful. Little over three hundred kids were given backpack. Everyone was excited for the day to come and when it came children showed up very early with their parents/guardians. We had songs, I shared the word, Principal Coretta Park who is a member of our church spoke to the kids and parents about the importance of education.

Out of this we have a mother and her two daughters coming out to church. The mother told me the same afternoon her kids said they like the church and want to come. This is what we were hoping for to see persons come to the Lord. We give God thanks for what He is doing. The plan is to have it annually because of the need and it will help us reach more souls for our Lord. Pray for our ladies for this venture and you can partner with them to help those in needs and share the gospel.

Pastor Lancelot Brooks from Jamaica and his daughter Christina were here from the 26th---31st August, he is a good friend to Cynthia and I who we met at collage many years ago it was nice meeting up again and have him preached at our revival meetings. The attendance was good

with the last night saw one hundred and seventy one persons in attendance to God the glory, out of that two persons coming out to church.

September we have as family month we were encouraged to have family members to come and fellowship with us which went well. The last Sunday the 24th what we called bring a basket where each family took something to eat and drink at the end we had lunch together. I was asked to preached at the Rose Hall Christian Church which was for their Pastor and family appreciation day so Cynthia our daughter Rennae and I were there then we returned to our church to have lunch

The Windward Island School of Evangelism (WISE) is hosting a conference from the 24th to 27th October my wife and I are planning to go. I was asked to speak at the chapel session and will preach at Church Village Church Of Christ on the 30th at their revival. We return on the 31st of October to get ready for our medical outreach with Dr. Patti, and her team from Kentucky Brother Wayne King is also on the trip.

They will have a medical outreach which they being doing for couple years now and our people are very grateful for the services, there is a man that is coming to church as a result. Wayne will be teaching in the evening on Restoration Movement which I feel will help our people because we have persons from other churches coming with us that were not exposed to some basis truth. Please pray for their travels and that God will use them to bring others into His kingdom.

We continue to seek your prayers so God will continue to lead us to grow closer to Him and to bring others into His kingdom as we do the same for you.

Our mothers on Mother's Day service

Women group

Women with their craft

Our fathers on Father's Day service

Our youths

Evening of dance

Children with their backpack

Last night of revival

Bro. Lancelot and few of our preachers

Children graduated from Samaritan purse

Mr & Mrs Stephens I officiated

Our daughter turned 22 on the 9th Sept
