## January Update

Hey everyone! It's hard to believe that we have come to the end of the first month of 2024 and are entering February. January has been a slow and sweet month. While I am not the biggest fan of low temperatures and gloomy days, the Lord has continued to provide contentment and light throughout this season. When I reflect on this past month, there have been many sweet moments with my church community. The Lord has blessed me with so many brothers and sisters, who have a desire to know Christ and make Him known.

The Lord has continued to provide within my ministry here at Team Expansion. It's been an exciting season of beginnings as people begin to join the Quest program and seek opportunities to make disciples among unreached people groups. I am eager to see how the Lord uses each of them and am blessed to come alongside them through support and training!

**"And let us consider one another to provoke love and good works, not neglecting to gather together, as some are in the habit of doing, but encouraging each other, and all the more as you see the day approaching."  
Hebrews 10:24-25**

## What's Going On?

1. Launch has begun! Launch is one of our trainings at Team Expansion. Right now, we have 5 questers participating in Launch.
2. We have our Pathway interns for 2024! We have 8 interns who will be spending two months this summer overseas. This was from their first webinar which was all about introductions.

## Pray for Quest

Currently we have 5 new Questers, who have begun their first training, Launch. Pray alongside them as they enter into a season of training and partnership development.

- Max: serving in Ghana or Mobilization
- Grayson and Taylor: serving in Southeast Asia

- Frank and Meredith: serving in South Asia

Pray alongside Drew, who continues to serve in the Middle East. Pray that he would continue to have deep relationships with the men around him and opportunities to share the Gospel.

---

## **Pray for Go-C**

We are 5 months away from the Go-C trip! Within the past month, we have officially accepted the students who will be heading to Taiwan this summer.

- Pray for the students, as they prepare to go overseas, some for the first time.
- Pray for the students as they beginning fundraising.
- Pray for the Lord to guide me as their coach.
- Pray for our team in Taiwan, their ministry and give thanks that they are hosting us this summer.

## **What's Coming Up?**

February 7th: My teammate Morgan and I will be heading to Knoxville, Tennessee to do some recruiting at Johnson University.

February 8-12: Morgan and I will be joining our president, Doug Lucas, on a recruitment trip in California. We have the pleasure to host an event at Shepherd Church and shed light on unreached people groups and opportunities within Team Expansion. Morgan and I will also be visiting Pepperdine University, who helped create the Go-C program.

## **Church Community**

1. I had the opportunity to attend Cross Conference here in Louisville alongside some other young adult leaders.
2. Our young adult ministry, The Port. It's been a blessing to see the growth within this ministry.

## Praise with me

Praise God  
for mobilization's upcoming travel.

Praise God for my church family.

Praise God for our workers on the  
field and the fruit that the Lord is  
providing.

Praise God for the people who are  
joining as interns and full-time.

Here is a look at how God worked in the year of 2023! It's amazing to see all that has happened in one year. Pray that in 2024, more people will be reached with the Gospel and we would see more and more people become disciples of Jesus!

## A Note From Team Expansion's President

### Was Ovi Right? ("You Drown Not...")

Brazilian author and songwriter Paulo Coelho wrote, "You drown not by falling into a river, but by staying submerged in it." (Ovi repeats this quote in Extraction 1, by the way.) This quote gives me pause. While working as a lifeguard at a church camp in high school, I had to pull several campers out of our muddy lake. They weren't choosing to stay submerged. They just didn't know how to swim yet. Similarly, today, many assume that every person on earth has heard the Gospel. But, as your favorite Team Expansion missionary will confirm, that's just not the case. Some people (around 3 billion) are still non-Christians by circumstance, rather than by choice. Just like a 9-year-old deserves a chance at learning to swim, let's at least give unreached people a viable opportunity to hear about Jesus, the cross, and His raising power. Thanks for helping make that happen.

## Giving

For those who have given financially to this ministry, thank you so much! You have such a huge role in reaching people with the Gospel. This is only made possible through the Lord and your faithful partnerships. If you are interested in financially supporting this ministry, click the link below for more information on how to do so!
