**CHURCH MEMBERSHIP:** If you are interested in becoming a member, we would love to talk to you. You may indicate your interest on the communication card in the app or on the back table of the Worship Center or simply speak with someone after the service. We do not give invitations to "walk the aisle" for salvation or for church membership. There are a couple of reasons for this: salvation is by faith in Jesus Christ for His gift of eternal life and does not have anything to do with church membership or coming forward at a service. A second reason is that we want to share with those interested in joining Emmanuel the distinctions of our church so you understand who we are as a church body and what our emphasis is in ministry.
