September 2023

Dear Prayer partners, *Pastor Dickinson + Hillcrest Bapt. Church,*

We hope you all had a blessed and fruitful summer. We were in OKC in June and enjoyed our church, Southwest Baptist, and family. Then part of July and August, we traveled in Colorado. Dr. Bliss and his sweet wife Sharon, who live in Pueblo West, provided many nights of lodging and good fellowship. While there, I had the privilege of teaching a group of pastors in India via Zoom.

We also enjoyed three days at Silver State Baptist Youth Camp. The music, powerful preaching, and good fellowship made this a refreshing time. During our CO. visit, I had the opportunity to preach in five churches, and Sandy spoke at three ladies' meetings. Seeing men accept Christ as their Savior and people responding to the altar call was an encouragement.

Making connections with some new pastors and churches was an added blessing, and the highlight was spending time with three of our grandchildren and Sandy's sister.

September will begin with Sandy teaching an all-day workshop in Ivanhoe, TX, and me preaching in two churches in the Fort Worth/Dallas area. Later in the month, we fly to Georgia, where I am scheduled to preach, and Sandy to teach another ladies' retreat.

**On October 9, we will be flying to Germany**, where we will spend four weeks. While there, we are scheduled to be in our former German church, two other German works, a U.S. military church, an English-speaking pastor's fellowship, and at Mission Possible. Mission Possible is a yearly missionary conference for missionaries and their families from all over Europe. Its sole purpose is to keep missionaries encouraged and focused on Christ. Pastor Garber and his wife from Northside Baptist Church in Nolanville, TX, will join us for the pastor's fellowship and Mission Possible. Please pray for the Lord's guidance and blessings during this time.

We greatly appreciate your prayers and financial support. May our Lord bless each of you as you serve Him.

*Thank you all for your love, prayers  
labor and giving through the years!*

\$1,500.00 thankfully received in

*July + August*

Yours in His Harvest,
