**News Letter #161 (July & August, 2025)**

September 4, 2025

Dear Pastor & Church,  
Greetings in our Lord's all sufficient grace.

The situation in Lebanon still the same. So then the great recession which the country is passing through still exist and lead Lebanon to suffer need with a big turmoil.

We are still struggling in this devastated country of Lebanon. The war between Israel and the Palestinians did not stop and is still increasing and greatly affecting severely the southern part of Lebanon besides other places in Lebanon could be a target for Israel. This is with the fact that Israel is not aiming all Lebanon but Hozb Allah which is supported by Iran and became a great problem and obstacle in Lebanon.

Praise and glory to the Lord our God who never forsake us or forgot us. Sometimes God convert tragedies to blessings in our humble ministry in Lebanon. So then, my illness, which prevented me to be out of the church for a period of time, was a successful means of purifying the church from members we had been deceived by, without causing any problems or disorder. What a wonderful and mighty God we have!

So then resuming my ministry after a great turmoil is something that can be a good experience for glorifying our mighty God who never forgotten us or forsake us.

He said in **Luke 3: 17** “**Whose fan is in His hand, and He will thoroughly purge His floor, and will gather the wheat into his garner, but the chaff He will burn with the fire unquenchable.**” So then, no troublemakers in our ministry any more. What a blessing!!

**What is remarkable as well is this situation in Lebanon: in spite of all the circumstances our Lord and Savior Jesus Christ still cares for us, and providing all our need physically and spiritually.**

**ACTIVITIES**

Our evangelical ministry in the area where that massive explosion took place is still existing with peace and comfort. Now we are still having every Sunday and Wednesday preaching ministry in Carantina area where the massive explosion took place. Besides other activities.

We started to observe the influence of the word of God as the Bible says in Isaiah 55: 11 “**So shall my word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it.**” Evangelism and discipleship are still our main goal with new believers.

**PRAYER REQUEST**

Please pray for our Carantina ministry (*the explosion area*),

Please pray for us, for health, wisdom, guidance, and protection.

Thank you very much for your love, support, prayers, & concern.

*Abdou & Siham Issa.*
