How can I, except some man should guide me? Acts 8:31

Dear Pastor and Church,

Baptism

My neighbor Harald, who had gotten saved following a Sunday service at the end of July, has followed the Lord in believer's baptism. Praise the Lord! We go about once a week to a German bakery right around the corner from where we live, and I take the time and opportunity to disciple him from the Word of God. Most recently it has been the first step of faith called baptism. What a joy and privilege to teach and see people put their beliefs into action. That is what we call living by faith. So glad to see my neighbor Harald submit himself to scriptural baptism.

Soulwinning

At the moment, I am personally doing my best to befriend and witness to three people I met at the gym where I teach some classes. Marco, Marie, and Inga. Please pray with me that I will be able to motivate them to come visit our church at some time and for me to have more opportunities to witness and share the gospel with them. Thank you.

Surgery

I am scheduled to have hip replacement surgery at the end of January. I guess the years of intense sports (Karate, Combat Fitness classes, etc.) have taken a toll on my body. I know it is just the body, but we also present our bodies a living sacrifice unto the Lord (Romans 12:1). Please pray the Lord will give the doctors and surgeons wisdom on exactly what to do, and that I will be able to share the gospel and be a good testimony so that they might get saved.

Visitors

Brother Claude Slate and his wife.

Visit to the Concentration Camp in Dachau.

Pastor Brandon Shull and his wife.

Last but not least, one of my favorite preachers came to visit me. Brother Claude Slate, his wife, and his Pastor, Brandon Shull, and his wife. We had a great time of fellowship and both preachers spoke here at the church in Ingolstadt which was a great blessing. The Slate family have been life-time friends, actually more like family. Praise the Lord for people like them in our lives.
