

Sunday Lock Up

The Sunday Lock Up Team is organised by: **The Operations Team**

Overview of the team

The Sunday Lock Up Team has a simple, but extremely important job to lock up the building after the second meeting. As a Sunday Lock Up, you will need to stay to the very end of the second meeting, to lock up. This involves checking the building, making sure all doors and windows are closed and making sure everyone is out. You will then need to set the alarm for both buildings, and then lock up and close the gate on your way out.

Full training of how to lock up, and the relevant keys and fobs to serve in this role will be given.

Time and Location

Be around until after everyone has left at the end of the second meeting, at King's Community Church Hedge End.

What we're looking for:

- A committed and responsible member of King's Community Church who is happy to hold keys for the building.
- Someone who doesn't mind staying a little later after church to make sure everything is closed.
- Someone who is meticulous and reliable to ensure everything is locked up properly.

How often you'll serve:

- Our rotas tend to run on a one in four, however this may vary depending on the number of people on the team and different events that happen after our Sunday Morning Meetings.
