The Comms Team is led by: **Natalia Rego**

Overview of the team

Join a passionate team dedicated to sharing the heart and mission of our church with the wider community and beyond. Through creative storytelling, engaging content, and vibrant visuals, you'll help inspire, connect, and drive engagement across our multiple communications platforms—from social media and email marketing to print ads and more. Whether capturing unique moments through photography, expressing the flavour of who we are through videography, or bringing our events to life with heartfelt storytelling and writing, your work will embody our values and shine God's love brightly in every piece of content. This role is perfect for someone eager to serve with creativity and purpose, helping to grow our creative portfolio, raise brand awareness, and extend our reach far and wide.

Overview of the role

Responsibilities include capturing and documenting church events and ministry activities through photography. All photography will be conducted in line with the church's safeguarding and visual image consent policies. This role supports church communications, social media, and promotional materials. Ideal for someone with a passion for photography and a desire to contribute creatively to the church communication and marketing objectives.
