God, I am yielded to Your vision for my life and my family. I commit to remain focused on what You want me to do this year and to reject all distractions. I am led by Your Holy Spirit in all that I say and do. I praise You for Your faithfulness. I call this vision complete and fulfilled in Jesus' name.

Take some time to pray and ask God what is His vision, call, and/or purpose for your life. This is applicable to you as an individual and to your family as a whole.

Vision/Purpose/Call

Take some time to pray and to think about goals for this year. These can include goals that are directly tied to the vision, or simply desires of your heart. Remember, this is scrap paper, so feel free to write what comes to mind. You can make it look nice on the other sheet.

Goals
