

ALWAYS LATE!

Solo

1. Late again, I'm late again,
Always missing everything.
Lost my halo, torn my dress,
Why am I in such a mess?

All

Face needs washing, teeth need brushing,
Always late and always rushing.
Look at her in such a state –
Always, always late!

2. Late again, she's late again,
Always missing everything.
Lost her halo, torn her dress,
Why is she in such a mess?
Face needs washing, teeth need brushing,
Always late and always rushing.
Look at her in such a state –
Always, always late!
