

WE'VE A JOB TO DO

CHORUS *We've a job to do – a job for the angels,
Spread the word and spread the joy.
We've a job to do – so let's get going,
The time has come for a baby boy.*

1. What a story it will be,
What a story, you will see!
Such a tale the world must know,
Come on guys, it's time to go!

CHORUS

2. What a story it will be,
What a story, you will see!
Kings and camels, stars and sheep,
Come on guys, no time to sleep!

CHORUS

3. What a story it will be,
What a story, you will see!
Up into the starry sky,
Come on guys, it's time to fly!
