Real Life. Real People. Real Jesus

Every branch in me that does not bear fruit he takes away, and every branch that does bear fruit he prunes, that it may bear more fruit.

Galatians 5:13-14

Leaders and Coaches,

As the seasons change and I look back on the summer I personally feel the pull to re-center myself in Christ. During this time of transition it's a great time as leaders to ask re-center our groups and our leadership.

Ask and Pray Over:

- **What parts of our group are no longer bearing fruit?**
- **Is there an area the Lord is trying to prune that I/we have been resistant to?**
- **What planted seeds have we neglected that need watering?**

Need to chat? Have a question? Let's grab some coffee and catch up. With Love - Cassie

IceBreaker Prompt:

Who was most influential in bringing you to Christ?

You might be surprised to hear that many of your members stories will include relationships! This is why encouraging friends, co-workers and family members to our groups is a natural and often significant way to introduce the Gospel.
