

LCC SPOTLIGHT

WINTER 2025

JANUARY UPDATES

The Grounds & more

Just because the LCC grounds are closed for the season doesn't mean our staff stops working on the maintenance and improvements needed. Here are just a few of the many that are being addressed this winter:

1. New Lighthouse Cafe has been started
2. Forestry gate has been installed at Carmen Rd entrance to enhance security.
3. Pickleball/Shuffleboard court benches replaced
4. New street sign installation has been initiated.
5. Due to a significant donation, the Board was able to establish an emergency fund.
6. Also through contributions, a West End Boat Launch and infrastructure fund was created.

Where were you when you accepted Jesus Christ as your Lord and Savior? I was 10 years old, in the basement of a church in Troupsburg, NY at Vacation Bible School. My favorite pastor explained to us what it meant to be a Christian and to love Jesus. The town is so small that Pastor Don was also my bus driver. I had always had a connection with Jesus and talked to Him as a friend during troubling times as a child. My family had a mix of churches they attended and wherever they took me,

I knew that they all believed the same thing. Publicly accepting Jesus as my Lord and Savior was the perfect next step for me. I still have the bible that they gave me and the felt bookmark that I made that week. I believe that youth ministry is extremely important and volunteered for 12 years at our Wednesday night Kid's Club.

What is one funny thing people may not know about you? Being self-employed I have been able to have my kids, my dogs and my sheep with me at work when needed. At one time I had a "Caution, baby on the floor" sign at the front door. Clients stop by during lambing season to see if I have a bottle lamb in the office.

What piece of advice would you give to your 16-year old self? Be more confident and advocate for yourself.

What is your favorite verse(s)? Psalm 23
