

Stewardship Report

Winter 2025

God has blessed our church, allowing us to be a blessing to others. Your generosity helps accelerate the mission of New Life Church – to serve and reach people in Jesus’ name.

As a church, we are deeply committed to stewarding God’s resources with wisdom and integrity.

- We follow **biblical principles** ensuring that every resource is managed responsibly and for God’s purposes.
- We fund all construction and renovations, with as much cash as possible, based on the **pace of giving**.
- We prioritize financial accountability by outsourcing all **bookkeeping and accounting processes**, creating checks and balances for church staff and non-staff elders, and oversight from these external accounting professionals.

Here’s a glimpse of how your generosity is intentionally invested to make a lasting impact—building on 9 years of God’s faithfulness and advancing the Great Commission.
