## Where we go from here...

Change is never fun. It causes a disruption in our normal flow of life and is, in many ways, uncomfortable. For the past 10 years, we've had a wonderful student pastor who taught our kids what it means to love Jesus and live on mission with Him.

So, what's next? There are probably a lot of you asking, "WHO'S next?" That's a great question and I wish I had the answer! Well, during this transitional season, I believe that God has called me to take on the majority of Student Ministry responsibilities. We have a great Student Ministry Committee and awesome small group leaders but what we need more than ever is for you, parents, to step up! We need you to continue keeping your kids plugged in, encouraging them to invite and bring friends, and we —**I**—need YOU to step up and be present and help with our student ministry. We've got a lot of fun stuff planned this summer and, again, I need every one of you to help make it happen!
