2024

In 2018, North Ridge Church had a dream to purchase a local strip club and bring restoration to our community. By God's grace, in one weekend, we raised support to purchase that property and bring an end to evil in the name of Jesus.

**WHY
ARE
WE**

Since then, we believe God has called us to more, not just for Marshfield, but for the world. Each year we invite our mission partners to submit their kingdom dreams so that, by God's generous heart in us, they might work to bring heaven down to earth.

REACHING?

Last year, 157 families gave to see the gospel move further, farther, and faster through our partners around the world! 60 families gave over \$500! 41 gave families over \$1000!

We invite YOU to give generously to see gospel dreams come alive locally, globally, and in future leaders. This year our goal is

\$225,835

To see what it looks like to reach near, far, and for the next generation, check out the pages ahead for an exciting picture of what God is doing!

LOCAL PARTNERS

NORTH RIDGE CHURCH: COMMUNITY FOCUS

NORTH RIDGE CHURCH | MARSHFIELD

Throughout the year, North Ridge Church has partnered with many families, neighbors, and schools so that all people might experience love and walk toward Christ-centered wholeness. Support in our community will make certain that vulnerable kids and families will be served through Welcomed (foster care support), Deliver Hope, Hygiene Drive, the Grant School Outreach, and more!

NATIONAL BLACK FELLOWSHIP: CHICAGO CITY LIFE CENTER

BISHOP WALTER HARVEY | CHICAGO, IL

"I knew you before I formed you..." This sentiment from God compels us to value life from its very beginning, no matter the zip code. Some of the highest rates of abortion happen in underserved black communities. Our partnership will help build a crisis pregnancy center on Chicago's southside AND connect like-minded ministries across the nation to establish works to rescue lives and deliver the hope of life in Christ.

CITY ON A HILL - STATE STREET DIGITAL SIGN

ART SERNA | MILWAUKEE, WI

While City on a Hill has been a stable ministry in Milwaukee, their families are ever new to the neighborhood. They have long dreamed of a large marketing sign to promote their programs, services, and outreaches to capture the attention and time of families who deserve to be freed from generational poverty and experience the love and care of Jesus. Our partnership will ensure the sign will be ready to create a surge in summer outreach attendance!

FEED MY STARVING CHILDREN - MOBILE PACK

SHANNON NIENAST | MARSHFIELD, WI

Hunger causes nearly half of deaths in children under 5 years old. This is heartbreaking. Dedicated to seeing every child whole in body and spirit, this organization works with food distribution partners and nutrition professionals to develop meals to reduce problems with malnutrition across the globe. Our support will allow our Marshfield community to gather, pack, and send meals to kids in need.

**“BUT YOU WILL RECEIVE
POWER WHEN THE HOLY
SPIRIT COMES
UPON YOU.**

**AND YOU WILL BE
MY WITNESSES, TELLING
PEOPLE ABOUT ME
EVERYWHERE:**

**IN JERUSALEM,
THROUGHOUT JUDEA,
IN SAMARIA,
AND TO THE ENDS
OF THE EARTH.”**

GLOBAL PARTNERS

MONTHLY MISSIONS SUPPORT & HOSPITALITY

We have 34 monthly REACH partners everywhere from Marshfield to Mexico to the mountains of Nepal. When they visit us, we visit them, and every day in between, we want to support our partners as they serve people we may never meet.

SPEED THE LIGHT

This organization exists to fund mission projects around the world with essential resources, transportation, and creative communication equipment. This project will be supported by North Ridge Youth over the next year.

BOYS AND GIRLS MISSIONARY CHALLENGE

BGMC is a mission organization that helps kids learn what it means to have a heart for generosity as they give sacrificially to help meet critical needs around the world.

LIVE DEAD SILK ROAD- PASTORAL TRANSLATION WORK **DARYL & SARAH JUMP | KYRGYZSTAN, KAZAKHSTAN, TAJIKISTAN**

We'll be supporting a work to translate pastoral training resources for church leaders along the Silk Road in East-Central Asia. Our commitment will take our desire to raise 500 spiritual parents to everyone everywhere.

LIVE DEAD SILK ROAD - REACH PARTNER FAMILY CARE **ANNA & FISH BRENT | KYRGYZSTAN & TAJIKISTAN**

We have many partners across Central Asia and several of them serve as a family with kids. Our partnership in this project will ensure that kids in these families will be pastorally and emotionally supported through providing flights to these strategic care partners.

LIVE DEAD SILK ROAD - COVERT DISCIPLESHIP APP

AL KINNUNEN | TAJIKISTAN

Last year we supported this partner in producing an anonymous evangelism tool to protect the identities and safety of Christian workers. As they've seen Muslims find faith in Jesus, this new project will support the development of a phone app to provide secret mentoring for new believers in families or places where faith in Jesus may be life-threatening.

LIVE DEAD ARAB WORLD - VIOLENT PERSECUTION RELIEF

JORDAN TRAVIS & KARI ABRAHAMSON

The Arab church has been suffering increased violence and persecution against believers with Muslim backgrounds. These believers are losing jobs from the assaults, resulting in unmet medical bills, all while aggressors suffer no legal repercussions. Our partnership with this work will ensure that medical bills are paid and our new brothers and sisters in Christ are cared for.

BANNER WORSHIP INSTITUTE

RACHEL POWELL | THAILAND

We believe in the dreams of our partners, and our friends have had a long vision of establishing a school to equip, train, and send worship leaders to all nations. Over the last few years, they have been preparing and getting ready to launch the Banner Worship Institute in Bangkok. Our commitment will support the purchase of necessary equipment to launch this developing ministry that will soon bring God's praises to every tribe, nation, and tongue.

ASA PART - PHASE 2

BRANDON AND RACHEL POWELL | THAILAND

Last year we helped establish a juvenile justice ministry for Thai students without support after release from prison. This year we seek to continue that partnership to fund the growing need for staff by supplementing payroll. Our support will ensure that ANY student can be supported in the name and love of Jesus as they adjust to a new life.

L'ÉGLISE LA RENCONTRE - YOUNG ADULT RETREAT

MAKENZIE MUEHLER | FRANCE

This growing church in Toulouse, France is seeing a swell of young people eager to experience Christ, which is incredibly uncharacteristic for the nation. Our partners are dedicated to seeing France changed for Christ and seek to have 40 young people changed through a three-day retreat focused on being made new, finding freedom, and discovering purpose in Christ. Our partnership will support a young generation hearing and experiencing the good news of Jesus.

REACH TRIPS 2024

SPENCER LAKE | MAY 11, 2024 | COST IS FREE

Since 1946, Spencer Lake Camp has been a place where generations have found Christ, been filled with the Holy Spirit, and received a call to ministry. Join us for a day trip to ready the grounds for a busy summer season of ministry to our youngest generations.

REACH MILWAUKEE | JUNE 11-16, 2024 | COST IS \$450

Strategically placed in the Avenues West neighborhood of Milwaukee, our partners at City on a Hill work to educate churches while bringing an end to the causes of generational poverty in the name of Jesus. If you've never been on a trip OR want to go on one of our global trips, this six day urban plunge is your best first step.

L'ÉGLISE LA RENCONTRE | SEPTEMBER 12-18 | COST IS ~\$2,600

While often lauded for its culture, romance, and beauty, the truth is that the people of France don't know Jesus. An estimated .3% of its population would consider themselves followers of Jesus. This is what makes our serving our partners in Toulouse exciting: their church family is experiencing wild growth with young people. Consider joining this REACH Team to partner with a back-to-school event and meet a church family we support across the sea!

NEXT GEN PARTNERS

SCHOOL OF MINISTRY

NORTH RIDGE CHURCH | MARSHFIELD

To see spiritual mothers and fathers raise up, we believe we need to ready and equip our family with biblical truth for our ever-changing world so that they might be publicly fruitful and privately filled with the Spirit of God for whatever future He has purposed for us. This school will launch in September this year.

MEGA SPORTS CAMP

NORTH RIDGE CHURCH | MARSHFIELD

This week-long camp was a loved and effective outreach that will return to the North Ridge Church calendar on the Southside this summer! Funds for this project will provide a tent needed to keep kids cool and shaded in the summer sun. Our financial commitment and time will allow us to engage local kids and families in a step toward Christ-centered wholeness!

NEXTGEN SCHOLARSHIPS & TRANSPORTATION

NORTH RIDGE CHURCH | MARSHFIELD

Throughout the year North Ridge Church is able to send over 100 kids to camps, conventions, and retreats. The support from this project will prevent affordability from being an excuse to not encounter God, experience salvation, or receive a call to ministry.

BADGERLAND YOUTH FOR CHRIST - JUVENILE JUSTICE MINISTRY

LIZ GOSSE | WOOD COUNTY

To prevent vulnerable students from entering the justice system, Badgerland Youth for Christ is pioneering a public school program to identify and support students at risk of dropping out. Our support will ensure that local students have a higher chance of graduation, lower chance of entering the juvenile justice system, and the opportunity to hear gospel principles through Christian mentorship.

CHI ALPHA STEVENS POINT - MINISTRY SPACE

NICOLE & TOM BARG | STEVENS POINT

Our partners at UW: Stevens Point have seen incredible growth since launching their ministry during the pandemic. Currently seeing 120 students each week, they dare to reach and equip more with the gospel by renting a large space near campus for training, outreach, and worship services. Our commitment will support their goal of seeing 240 students engaging by the end of the 2024-2025 school year.
