**About Me:** I am the wife to my high school sweetheart Brad and mom to two of my answered prayers, Aubrey and McKoy. I am employed at Cambridge Technologies as an Account Manager. I am a grateful believer in the great I AM.

**Hobbies:** My hobbies include spending time with my family, snuggling my kiddos (while secretly trying to catch a quick snooze!), camping, enjoying the great outdoors and refinishing furniture!

**Favorite Books/Movies:** I am not a TV or movie watcher but do enjoy something that will make me laugh.

**Favorite Food:** I thoroughly enjoy a good medium rare steak, baked potato and cheesecake for dessert.

**Favorite Scripture:** My favorite current verse is Philippians 4:6. I often ask myself "have I prayed about what I am worried about?"
