ANSWERS BIBLE CURRICULUM

October 5: Solomon Builds God's Temple

David helped his son Solomon by giving him plans and gathering materials for the temple. Solomon completed the temple building in seven years. When the ark of the covenant was brought to the temple, God sent his cloud to signify his presence dwelling at the temple.

October 12: Wisdom from God

True wisdom comes only from God. God gave Solomon wisdom, and Solomon wrote many proverbs, which are wise sayings to help us live in a way that pleases God. The book of Proverbs gives good advice on many practical subjects, such as being a good friend, honoring parents, and choosing our words wisely.

October 19: Israel Is Divided

Solomon disobeyed God's commands and let his many wives turn him to idolatry. As punishment, God said that his kingdom would be torn away. Solomon's son Rehoboam lost the kingdom to Jeroboam. The nation was divided into the northern kingdom of Israel and the southern kingdom of Judah.
