Today Judy Hey will talk about our Congregational Care Team, their purpose and who they serve. Remember that you are welcome to join the journey of the small groups or church teams at any time. There is no such thing as starting or being late.

Some of the projects CC team does: supply meals for those who may have new babies, been hospitalized or ill. We have done home visits and nursing home visits, calls to check on people, sent notes/cards. We've given out appreciation gifts for Mother's Day, Father's Day and for the Sunday School teachers.

Our Outreach Ministry is at Victorian Assisted Living where we visit residents and sing hymns with them. We also assemble birthday bags for all the residents."

Be sure to stay tuned for next Sunday's featured small group/church team.
