

### Dear Friends and Faithful Supporters,

September–October, 2025

We rejoice in all that God has done over the past couple of months! It has truly been a season of blessing and fruit that remains. Thank you for standing with us through your prayers and faithful support as we continue mobilizing the local church for the cause of world evangelism.

### Missions Teams in Mexico

This summer, the Lord blessed us with two missions teams that came down to Mexico. It was incredible to see God working in hearts—souls were saved, believers were strengthened, and many gained a renewed burden for missions. We are now walking alongside them through Trinity Baptist Seminary and Frontier Baptist Missions, helping them prepare for the field in partnership with their home churches.

### The Work in Toluca

God continues to bless the ministry in Toluca, Mexico. The churches there are growing, and next week I'll have the privilege of traveling back to preach in the annual missions conference at our second church plant. It's always a joy to see what God is doing through the faithful believers in Toluca and to watch how the Lord is using them to support and send others into the harvest fields.

Please also pray for us as we prepare to turn over one of our churches to a national pastor. He has been faithfully serving and training for this transition since last year. This is our ultimate goal—to see men called, trained, and equipped to pastor the churches God allows us to plant. Watching them step into that role is both humbling and exciting!

### A Need for 2026 Travels

As we look ahead to next year, please pray with us for a small trailer (around \$5,000) that we can use while traveling to visit churches and help mobilize believers for world evangelism. This will allow us to carry ministry materials and resources as we travel across the U.S., encouraging and equipping local church to reach the world with the Gospel.

If you or your church would like to have us come by to share, please contact us today!

### Prayer Requests

- Pray for the upcoming trip to Toluca and the missions conference next week.
- Pray for the upcoming church transition in Toluca—that God would bless and guide the new pastor.
- Pray for the continued growth of Trinity Baptist Seminary's 35 extensions worldwide.
- Pray for provision for the small travel trailer needed for 2026 ministry trips.
- Pray for strength, safety, and wisdom as we continue mobilizing churches for world evangelism.

Thank you for praying, giving, and believing with us. Every mile traveled, every soul saved, and every church planted is fruit to your account. We could not do this without you.
