Dear Friends and Gospel Partners,

We want to thank you again for your faithful support and prayers. It's been an exciting season of ministry, and we're so grateful for the many ways God is working!

Two Visiting Teams, One Purpose: The Gospel

Over the past few weeks, CORE Missions was blessed to host **two amazing missions teams from the United States**, and God used them in powerful ways! A special thank you to Tim and Lauren Carter from our ministry who guided these groups. They work so hard in many areas of CORE Missions and we could not do missions in Honduras without them!

Together, they helped:

- ✓ Evangelize in new communities
- ✓ Teach Bible lessons in public schools
- ✓ Host special family events with outdoor games, popcorn, and a clear gospel message

We saw **several people trust Christ as Savior** during these events! Praise the Lord! We're now working to follow up with these individuals and connect them to local churches where they can grow in their faith.

A Fully Funded Feeding Center 🎉

We are thrilled to share that **our Feeding Center is fully funded for the next year!** Because of the generosity of one of our partnering churches, dozens of children will continue to receive daily meals and hear the hope of the gospel. Thank you for investing in both the physical and spiritual needs of these precious young lives.

A 4x4 SUV for Pastor Oscar 🚙

God has also provided a huge ministry need—a well-maintained 20 year old **4x4 SUV for Pastor Oscar**, our partnering national pastor who also operates the feeding centers. This vehicle will allow him to reach **remote mountain villages** that were previously difficult or impossible to access. We're excited to see how God will use this new opportunity to spread the gospel even farther.

Please Pray With Us:

- 🙏 For the new believers to grow in their faith
- 🙏 For continued strength and wisdom for our family
- 🙏 For complete medical answers and healing for Tara

We are so thankful for your partnership in the gospel. **Because of your prayers and support, lives are being changed for eternity.**

In Christ,
The Beil Family

CORE Missions

CENTERED ON REMOTE EVANGELISM

CORE Missions is a Baptist missions organization with the primary focus of partnering with foreign missionaries and raising support for national pastors, enabling them to reach remote villages with the Gospel of Christ.
