

The BEIL FAMILY

Centered On Remote Evangelism

Dear Friends and Ministry Partners,

We are so thankful for your faithful prayers and support for the ministry here in Honduras. God has been doing great things, and we are excited to share a few recent highlights with you.

Ministry Update:

This past month, we were blessed to have a visiting group led by fellow CORE Missionary Tim Carter serve with Pastor Oscar in Toyos, Honduras. Together, they worked tirelessly to bless the children in our feeding centers by building two brand-new playgrounds! These playgrounds have already become a joyful gathering place where children can laugh, play, and experience the love of Christ in a tangible way. Watching the smiles on their faces reminded us once again why this ministry is so vital. We are grateful for the labor of love poured into these projects and for the partnerships that make it possible. Tim and his wife Lauren have been such a blessing to our family, the local pastors we partner with, and the ministry of CORE Missions.

Family Update:

As many of you know, our family is currently in the United States on a short medical furlough. This time has allowed us to receive some much-needed care, and we ask for your continued prayers as Tara faces an upcoming surgery in November. Please pray for successful treatment, a smooth recovery, and for God's peace to surround our home during this season. Next month, we will be traveling back to Honduras for a few weeks for some special events and to renew our residency. Please pray for safe travels, fruitful ministry during that time, and a smooth renewal process. Though we are away from Honduras for the moment, our hearts remain with the people we serve. We look forward to returning as soon as possible to continue the work of equipping pastors and reaching communities with the gospel. Thank you again for standing with us through your prayers, encouragement, and support. None of this would be possible without your partnership in the gospel.

For His glory,
The Beil Family
