

# ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

July 2025 Update

Let me start by saying that God is so good! I am so thankful for the traveling grace He gave us as we traveled over 1500 miles in July, and I am so appreciative of every door the Lord continues to open for us to share about the wonderful mission work taking place here in Arkansas. We are grateful for the continued monthly support of approximately 80 churches that faithfully support State Missions, and we are especially thankful for the \$51,587.00 that has been received for May Missions. The State Missions treasury continues to experience a large deficit every month, but finances are improving. We continue to seek new churches to give to the salary fund, while asking current supporters to prayerfully consider raising their support.

## Summit 2025 Mission Trip

Summit Springdale and State Missionary Micah Deaton hosted the Summit 2025 Mission Trip July 10th-13th. Groups from 8 churches across Arkansas came alongside Summit to help them reach their community with the love of Jesus Christ. About 100 people served in various ways on 5 different teams to meet people, share the Gospel, invite people to church, and also pray with people. Summit has already had guests because of these efforts!

## Life Camp at Budd Creek

This month I was also able to speak to the kids at Life Camp at Budd Creek. Thank you to Jeff Neeley and Lucas Walling for asking me to speak. My family had a wonderful week getting to fellowship with the other churches in attendance.
