

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

September 2025 Update

What a busy but blessed month. God is so good! We give Him the praise for the protection He gave us as we travelled over 1500 miles, but also for every opportunity to share about Arkansas State Missions. The month began with an opportunity to give an update at a local association meeting and closed with me preaching the first night of the Missions Conference at First Baptist in Bryant. In addition to our travels to promote, Mary Grace and I were able to get away for a weekend to Mt. View and enjoy the town and some quality time together. Our visit to Mt. View allowed us to attend worship at Flatwoods Baptist Church.

While in Jonesboro for the Spring River meeting, we were able to visit Grace MBC. It was an honor to be with this mission-minded church. Pictured (L-R) Bro. Lucas Walling (college intern), Bro. Brad Parker (MBSF Director/Worship Pastor), myself, and Bro. Brandon Wright (Lead Pastor). Pray for Grace as they recently became the sponsor of Interstate Mission Development.

The Lord Gives the Increase!

I just want to take the opportunity to highlight a great blessing from this past month. On Sunday afternoon, September 7th, Bro. Alejandro Moreno was able to baptize this mother (pictured left) and her teenage son in Ten Mile Creek. These two individuals are the fruit of evangelistic efforts from a place where Bro. Moreno volunteers to assist families. Please pray that many more souls would be saved and baptized in Arkansas through the ministry of our state missionaries.

Looking Ahead

Our schedule for October is quite full as we are trying to attend as many local association meetings as possible, in addition to visiting churches on Sundays. We do have a few Sundays open in the month of November to visit churches. If you would like me to come and share about the great mission work taking place in Arkansas at your church, mission rally, missions conference, etc., please contact me at the information listed below.
