

ARKANSAS STATE MISSIONS ADVOCATE TYLER FREEMAN

October 2025 Update

God is good! He allowed us to safely travel over 1,700 miles in October to share about State Missions. The month began with the conclusion of the State Missions Conference at First Baptist in Bryant. It was wonderful to hear and fellowship with each State Missionary. We were also blessed to visit 8 local associations during the month. These meetings are great opportunities to connect with many churches across the state. Connections made at local meetings have led to more opportunities to visit churches on Sundays. We are also super thankful that several local associations gave special offerings to Arkansas State Missions!

October Travels

Thurs. October 2nd

- P.M.: Saline Assoc.: Sulphur Springs MBC Hot Springs

Fri. October 3rd

- A.M.: Clark/Pike Assoc. Mt. Pleasant MBC Langley
- P.M. Lonoke Assoc.: County Line MBC England

Sat. October 18th

- A.M.: Grand Prairie Assoc.: Center Point MBC Hazen

Sun. October 19th

- P.M.: Spring Creek MBC Benton

Pictured above is my Pastor, Bro. Terry Williams and his dear wife, Sis. Tammy. October brought a monumental occasion as Bro. Terry celebrated 25 years as Pastor of Calvary MBC. I am thankful for Bro. Terry's friendship, leadership, mentorship, and willingness to be such a help as we began this new ministry as Missions Advocate. It was a blessing to be at Calvary on Sunday, October 19th, to show our appreciation for his faithful leadership over the last 25 years.

Missionary Training Ministry

Another highlight of the month was being able to attend MTM at Flatwoods MBC in Mt. View. I am thankful that the State Association helps financially with training for missionaries. It was wonderful to connect with missionaries and pastors from all around the world but also to learn how I can better assist and advocate on behalf of our state missionaries. In addition to attending the MTM sessions, I was blessed with the opportunity to share about state missions on Wednesday night during Quick Chat, which was like speed dating but with missionaries. It was also a joy to have state missionaries Alejandro Moreno and Will Diggs join me to share about the work taking place across this great state!

Pictured above is Missionary Greg Thompson, who is planting a church in Olympia, WA. Greg and I had a wonderful visit and I am so thankful for the MTM ministry, which fosters an environment for great conversations about church planting and ministry.

Looking Ahead

We still have some Sundays available in December to visit churches. We do understand that the month of December brings many Christmas activities, but if your church has an open Sunday this December, please don't hesitate to reach out. Also, if you would like me to come and share about the great mission work taking place in Arkansas at your mission rally, missions conference, etc., please contact me at the information listed below.
