# A NOTE FROM PASTOR NICK

I still remember the Sunday morning in July when Kristin and I parked our vehicle and began walking toward the building of a church we were attending for the first time. We were not living in Sumner County, we were new to the community, and we knew absolutely no one. A guest services volunteer was outside the church, and he immediately spoke to us and welcomed us. He knew that we were first-time guests, and not only did he help us find where we needed to go, he also invited us to attend the Life Group that he and his wife led after the worship service.

The people in the Life Group also welcomed us, offered to help us get connected in our new community, and made us feel like we belonged there. The friendliness, care, and genuine concern shown to Kristin and me that morning made us want to come back the following weeks, so we did.

I have often said that this interaction that day was used by the Lord to direct me into a ministry role. We connected with the Group, joined the church soon after, and made Gospel partnerships that still exist today!

I praise the Lord for the strong focus we place on Life Groups at FBCG! Finding Biblical community where friendships and accountability in Christ are critical to our spiritual walks! Our Life Groups should always be centered on the Word of God, ministering well to one another, and always outwardly focused so that we are seeking to reach people and connect them to Christ and His Church.

We have many new Sumner Countians moving in every day, and these are divine opportunities for us to reach out, invite, connect, and shine the light of Christ. We will be hosting a Life Group Link on January 11th and January 18th after the 8:30 worship services where folks can come learn more about connecting in our different Life Groups! This will be held in the Connection Center.

Additionally, we are planning to launch new discipleship groups, Grow Groups, early in 2026! These are our smaller groups that ready, study, journal, and memorize God's Word together.

We value Biblical Truth at FBCG, and I pray that you will invest well in our Life Group and Grow Group discipleship ministry! These Groups have, and do, change lives for the glory of God, and I am excited to see what He does in 2026!
