A NOTE FROM PASTOR NICK

I heard on the radio this morning that, with the humidity, the expected heat index was 105 degrees. One...hundred...and five degrees. Friends, that's a bit warm! Do you know what heat with that kind of humidity means? You know the kind of heat that makes you sticky and sweaty just for breathing when you walk outside? It means that it is time for kids to hit the books and go back to school! Wow, summer has flown by, and now, back to learning!! Nothing says back to school like a heat advisory warning!

As Sumner County students prepare to enter the classrooms on August 4th, it reminds me that learning is not just for school-aged students. As followers of Christ, we are all to be lifelong learners. And, yes, learning new information and subjects is important no matter our age, but I am particularly thinking about learning more about following Christ.

Once we commit our lives to Jesus, we do not simply say, "That's great! Now, I am going to go do what I want to do!" Being a Christ follower means that we follow Christ! This means that we read, study, learn, and apply Biblical truth as we live out our faith journey. We seek to show His compassion, His kindness, and His mercy to others as we demonstrate the Gospel. We learn about His compassion, kindness, and mercy in THE BOOK, and we should always seek to be learning from the Bible.

A core value at FBCG is that we value "Biblical Truth." We hold fast to the truth of 2 Timothy 3:16-17, *All Scripture is inspired by God, and is profitable for teaching, for rebuking, for correcting, for training in righteousness, so that the man of God may be complete, equipped for every good work.*

Although we may not all be preparing to enter the hallways of Sumner County Schools soon, we can all be investing in learning more about following Jesus. To that end, we are preparing to launch new Wednesday night discipleship classes and discipleship groups we call Grow Groups in the coming weeks. Our Wednesday night schedule will be published soon, and if you are interested in learning more about our Grow Groups and how you can invest in your faith journey learning, please let me know. I am here to serve and equip you for God's glory the best that I can.

Let's keep learning, applying, and growing together!

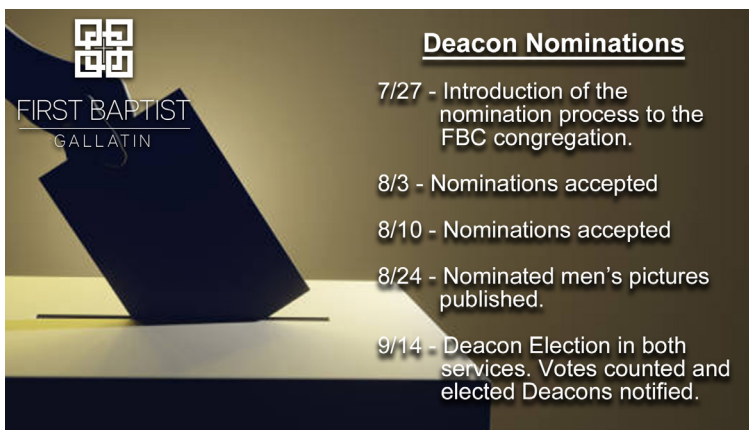

Onward and upward for Jesus,
