# A NOTE FROM PASTOR ANDY

Ahhhh... it's that time of year again! As my dad used to say, "It's Fall of the year." Yes, it is indeed my favorite season, but the weather wants it to remain Summer with our temperatures in the mid-80's to 90's lately. That is not at all what I expected for the end of September. In fact, as Summer came to a close, there were a lot of things that happened that many of us did not expect. It's had me thinking about how we as Christians should respond when things go very different than we thought that they would or even should.

As we look to the Scriptures, 2 Corinthians 4:8-9 says, "We are afflicted in every way but not crushed; we are perplexed, but not in despair; we are persecuted but not abandoned; struck down but not destroyed." We live in a fallen, sinful world and things that are seemingly bad are going to happen. It is during those times that we must trust the Lord and His perfect plan. God allows everything to happen for our good and His glory. What He expects of us is to trust Him. It is during the fiery trials that our Heavenly Father purifies us and draws us closer to Himself if we allow Him to do so. Church, keep the faith and remember, "Blessed is the one who endures trials, because when he has stood the test he will receive the crown of life that God has promised to those who love Him (James 1:12).

With October here, that means that the Fall Carnival is upon us. On October 19, from 3:00 – 5:00 pm we will flood the lower fields at the Pavilion with games, food, activities, laughs, and prizes. This is one of the most fun events that we have for our church and the community. An event of this size does require a lot of volunteers to make it happen. If you have not already, would you or your life group consider serving at the event? We need folks to greet guests, drive golf carts, work booths, run events, and more. If you would like to be a part of this family event, please reach out to me by calling the church office or emailing me at [andy@fbcgallatin.org](mailto:andy@fbcgallatin.org). Let us make this year the best carnival yet!

In His Grip,

Pastor Andy
