A Note From Pastor Travis

Celebrating Pastor John and Susan!

Pastor John and Susan shared their hearts on Sunday, February 25, in both of our morning worship services! I know their announcement comes as a big surprise to many as it is a bittersweet time for them and our church. They first came to FBCG some 24 years ago, and the Lord has used them both in tremendous ways for 2.5 decades of pouring into and

loving on the FBCG family. I believe the message out of 2 Corinthians 1:23-2:4 paints the picture of the relationship between pastors and their people, and the passage set the stage for John and Susan to share their hearts.

You will hear more from John in next month's "First Impressions", and we will be blessed to still have him lead our 8:30 worship service for the next two months.

John and Susan's last "official" Sunday will be April 28, and we plan to celebrate them with "Dinner on the Grounds" at our Pavilion directly behind the Courthouse. The food will be provided. Moreover, if you'd like to bless them with cards of appreciation, the celebration at the Pavilion would be a great time to do so.

EASTER SUNDAY, MARCH 31

Easter is coming quickly! It's Super Bowl Sunday for the Church! LifeWay research shows that people are much more likely to attend church with someone they know through a simple invite. So, let's invite someone we know is not connected to a church home. We plan to have our normal schedule that morning.

165 YEARS OF GOSPEL MINISTRY!

Did you know that FBCG launched as a brand-new Gospel-Centered church 165 years ago this month? That's right, the very corner on Main Street where we are doing ministry today is the area that the Lord God saw fit to be a "lighthouse" for the Gospel of the Lord Jesus so many years ago.

Furthermore, we stand on the shoulders of many men and women that laid the foundation for FBCG to be a beacon of light for Gallatin, Sumner County, Tennessee, and the nations. Even still, as the old saying goes, "Methods Change, but the Message Remains", and this statement is certainly true for FBCG today in 2024.

I'm thankful for you, and it's a true blessing for me and my family to be co-laborers alongside you as we seek to make much of Jesus!

Grace and peace, Pastor T
