

NSC KIDS & Youth

Fall 2025

Youth

We have started several new things. On Sunday's during the sermon, middle school meets in the basement youth room while high school meets in the Bridge Coffee. We take the first Sunday of the month off for youth to be involved in other areas.

We have started two different Bible Studies through our partnership with Shoreline YoungLife. Wednesday afternoon (1 pm ish) after school high schoolers are meeting up at Cafe Aroma. This is a great spot to connect and dive into the scriptures. Every high schooler is invited!

Elementary

We have one classroom each Sunday with the inevitability of moving to two to accommodate new families! Each week we have a video lesson combined with relevant activities and action steps to take home. Here's what we are covering this fall.

October: Core Question: How did Jesus grow in wisdom? Core Insight: God's Message / Truth. Memory Verse: *Proverbs 16:16*.

November: Core Question: How does believing in God change the way I live? Core Insight: God's Image / Identity. Memory Verse: *Isaiah 40:31*.

December: Core Question: Why is Jesus so important in God's story? Core Insight: God's Creation / Design. Memory Verse: *Luke 2:11*.

Early Childhood

We have a nursery and toddlers classroom (ages 1-3) that is play oriented and has fun activities. Additionally, we have a pre-k and kindergarten classroom that combines play, crafts, bible stories, and relevant activities.

October: Bottom Line: God can help me be brave. Memory Verse: *Deuteronomy 31:6*

November: Bottom Line: I can thank God for everything. Memory Verse: *Psalms 111:1*

December: Bottom Line: God gave us Jesus. Memory Verse: *John 3:16*
