

**What God Has To Say**  
**To The Believer About Money**  
August 6, 2025

Did you know that there are roughly 2350 verses concerning money in the Bible? That's almost twice as many verses about faith and prayer combined. Jesus had a lot to say about money. Nearly 15% of everything Jesus spoke about was related to money and possessions.

- 16 out of Jesus' 38 parables dealt with the topic of money and possessions.
- The only topic Jesus taught more about than money was the Kingdom of God.

Why? The scriptures are very clear about the connection between a person's spiritual life, attitudes, and actions concerning money and possessions – **Matthew 6:21**.

God has a lot to say about money, not because money itself is good or bad, but because how we view money, use money, and prioritize money reveals the condition of our hearts.

1) God owns everything – **Psalms 24:1**.

- We are stewards, not owners. Everything we have – money, possessions, talents – ultimately belongs to God- **1 Corinthians 4:2** – found we should be faithful to the owner, God; using His resources as He directs.

2) The love of money is dangerous – **1 Timothy 6:10**.

- Money itself is not evil – but loving it, chasing it above all else, leads to sin, compromise, and brokenness.
- Believers are warned to guard their hearts against greed – **Luke 12:15**.

3) Trust God, not riches – **1 Timothy 6:17**.

- Wealth can disappear. God is the only true source of security.
- Trusting in money leads to pride; **Proverbs 16:18**. Trusting God brings peace – **Isaiah 26:3**.

4) Be generous – [Acts 20:35](#).

- God blesses us so we can bless others – [2 Corinthians 9:10](#).
- Generosity is an act of faith and a reflection of God's heart – [2 Corinthians 9:10b](#).

5) Don't be a slave to money – [Matthew 6:24](#).

- Money is a tool, not a master.
- Believers are called to serve God, not chase wealth.

6) Be wise and faithful stewards – [Matthew 25:21](#).

- God expects believers to manage money with wisdom, discipline and purpose.  
That includes savings, budgeting, avoiding debt, and being honest in business.

7) Use money for eternal purposes – [Matthew 6:20-21](#).

- Invest in things that last: people, ministry, justice, compassion, and the Kingdom of God.
- Our money should reflect our eternal priorities – [Matthew 6:33](#).
