# BIMI

Dear Friends and Family,

September 2025

I am enjoying working at BIMI's Home Office—the World Missions Center. I have been staying very busy and learning a lot! It is exciting to be a part of the things that go on here. Since I have been here, we have had the following:

- Action Conference for World Evangelization—missions-focused preaching, fellowship, and interactive workshops
- Candidate School where 48 missionaries were preparing to raise funds or getting ready to go to their countries of ministry
- Enrichment Week where veteran missionaries who are traveling in the States get a chance to relax, have some fun, be encouraged, fellowship with other missionaries and get a little spoiled
- Two separate weeks of CAMP BIMI where those who are interested in missions have an opportunity to focus on the needs around the world in a Christian “camp” setting

Janise & Ethan's little baby girl was born! Her name is Larae and her big brother is enjoying his little sister. How fun! I'm a proud granddaddy twice over.

We also found out that Krista is pregnant and due in February! So that makes me a proud granddaddy thrice over! I'm enjoying this! 😊

Risha's boyfriend, Jordan McDowell, had his BIMI pinning ceremony as part of our Candidate School here at BIMI. He is preparing to start a church in the Pittsburg, Pennsylvania, area. He is having his ordination service on September 7<sup>th</sup> and is already scheduling meetings for his deputation. It is all very exciting! Please pray for both Jordan and Risha. If you would like to partner with them or would like more information, here is Jordan's contact information:

There was one amazing thing that happened during Enrichment Week that I would like to share with everyone. I have met someone! Yes, a girl. Her name is Kerri Phillips. She has been a single missionary in Uganda, Africa, her home for 15 years. ([Kerri2Uganda.com](http://Kerri2Uganda.com)) She is here in the States because of some health issues that prevent her from returning to Uganda and the idea of not being there is very hard to take. She had already been praying about transitioning to the BIMI Home Office. Lord willing she will be starting there this January. We ate lunch a couple of times during Enrichment Week and have been dating ever since. Please pray for both of us and for what the Lord has in store for us.

Thank you for your faithful prayers and support!
