President's Perspective

a message from David H. Snyder • President • Baptist International Missions, Inc.

July 2025

Thank you for your faithful support of missions! It is an honor to serve with you in fulfilling the Great Commission.

Summertime is a time of camping and outdoor activities. There are many churches and organizations that hold Christian youth camps this time of year. It is always good to hear how God uses camps to speak to the hearts of young people. Erik and Holly Johnson, BIMI missionaries in the Dominican Republic, recently reported on what God did as they were involved in a teen camp.

We were thrilled to join several like-minded churches for a teen camp in the mountains—truly one of the most beautiful settings imaginable. With fun activities, great food, new friendships, and powerful preaching, it quickly became our favorite camp experience yet. The highlight, though, was seeing our teens respond each night to the messages—making decisions for salvation, rededication, and even surrendering to God's call to ministry. We are so grateful to the missionary friends who organized it and are already looking forward to next year!

As we pray this summer for God to do a work in the hearts of our own young people, let us also pray for young people around the world who are also participating in camps and other summertime activities. Thank you for your support of missionaries like the Johnsons who are seeing God work in the hearts of their teens through camp. God is using your missions giving to do a work globally in the lives of the next generation. Your contribution to missions is having an impact, not just this summer but also for eternity. May the LORD richly bless you!

In Christ,
