Time to celebrate! So many things that the Lord has done and is doing. How can we not concentrate on the blessings that surround us.

Here in Costa Rica once again we are praising the Lord for another seminary year completed. This year we had our largest graduating class.

Of course, the people attending our Graduation Fellowship Week has increased accordingly. Since none of our churches have facilities large enough to accommodate all the people, this year we had to rent a large gymnasium for the evening of the graduation.

It was a joy to see each graduate walk across the platform and receive their diploma knowing each one will be returning to their homes, churches and communities prepared to minister wherever the Lord places them.

Since the public school vacations are approaching, that means Bible clubs, vacation Bible schools, camps, Bible studies, small groups and more. There will be plenty of work for everyone.

We thank the Lord for the laborers He has sent to work alongside of us as we continue the mission He has set for us here in Costa Rica.

And just think, you have been a part of making all this happen. Thank you.
