## AFRICA FIELD DIRECTOR

July 2023

Dear Praying Friends,

"I have no greater joy than to hear that my children walk in truth" (III John 1:4). Truly, that verse has been so true as Lori and I have seen our daughters grow up and serve the Lord. Our third daughter, Heidi, (who was born in Kenya while we served there and graduated from Bible college with her degree in elementary education) married the love of her life, Noah Knouf, on July 7th. Noah has been hired as the assistant pastor of Friendship Baptist Church in Ewa Beach, Hawaii. They left for Hawaii a couple weeks ago and are excited about jumping into the ministry there!

One of the highlights of our summer each year is the missionary training we get to take part in at the BIMI campus in Chattanooga. One of those times is Camp BIMI where we have dozens of young people - mostly college-aged - come for a one week intensive on everything missionary related. There are lectures by veteran missionaries from all over the world on church planting, leadership training, discipleship, and children's ministries; as well as practical classes on foreign language, international culture, national relationships, etc. In the afternoons, there is hands-on training on basic auto mechanics, construction, first aid, and so much more.

This year, we had the largest group yet - 73 students! Next year, we will expand to two weeks in order to accommodate all the applications and interest! For more information, visit the website: [www.bimi.org/campbimi](http://www.bimi.org/campbimi). Please be in prayer for us as we help to train the next generation of missionaries!

Until all nations hear,

*Eric Bohman*
