

THE BOHMAN FAMILY

AFRICA FIELD DIRECTOR

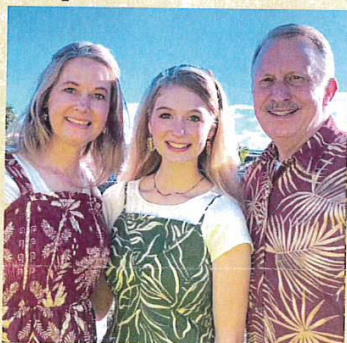

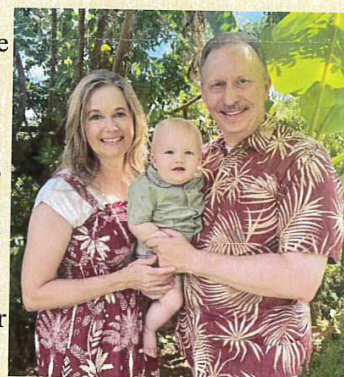

November 2025

Dear Praying Friends,

As we reflect on the past year, we pause to thank God for hundreds saved as well as new churches started in Kenya, and there are plans for future churches in the next year! We also want to thank you, our prayer supporters, for laboring with us to see God's work accomplished.

This year has kept us busy with multiple trips to Africa as well as opportunities of speaking in many conferences and Bible colleges in the States. God is still calling choice servants to serve around the world!

We are grateful that as we have traveled to our meetings, we have also been able to see our children where they live and work: Erica in Kenya, Deborah and her husband David in Indiana, and Heidi and her husband Noah and our first grandchild James (at right) in Hawaii. Our youngest daughter Julia (below) graduated from college in May, and we are grateful to have her home for a short time as she works and prepares to go into missionary work soon. We are very grateful for your prayers for our family that God will use each of us to glorify Him in the place He has put us.

It is our prayer that in this coming new year, God will enable us to have more opportunities to share the Gospel, to bring more souls to Christ, and to see more laborers called and sent into His harvest field. Not only are we praying for these requests, we are actively working towards these goals so that we can accomplish the work Christ has for us before His return.

May God bless you and give you a joyful Thanksgiving and Christmas season. We are blessed to have you as a friend and fellow-laborer, and we are truly thankful for you!

Until all nations hear,

Eric Bohman
