

# THE BROWN FAMILY

YOUR MISSIONARIES TO THE ARMED FORCES

Dear Praying Supporters and Friends,

December 2025

**Gal 4:4-5:** *“But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law, To redeem them that were under the law, that we might receive the adoption of sons.”*

Praise God for sending His Son at the perfect time for such a profound purpose!

## God's blessings in ministry

Thank you for praying for this year's special veteran outreach services. Kevin had great liberty to share the Gospel in Tennessee and Virginia. While there were no immediate professions of faith, we know that Christ was lifted up in the preaching and unbelievers heard God's truth. Please join us in continuing to ask God to draw some of the veterans to Himself.

Sometimes the veteran conversation happens in the opposite direction. Recently, Kevin was able to use his status as a veteran to extend a conversation. Matt, an employee at a Mission BBQ in New Jersey, was politely visiting tables to welcome patrons. He was very interested in talking more once he learned of Kevin's military service and it quickly opened the door for a conversation about Christ. Like so many, Matt was depending upon his efforts and his goodness to earn him enough favor to get into heaven. Because he returned to our table several times, Kevin and a pastor friend were able to help Matt understand that his best efforts would not be enough to get him to Heaven. Thankfully, we were able to share some of the Gospel with him. The pastor also shared a church tract with Matt which included access to a video Gospel presentation. Pray with us that God's truth will not return void in Matt's life.

Usually December is a quieter ministry travel month but God led differently this year. Kevin enjoyed the opportunity to visit with two AFBM missionaries. One missionary family had just finished their first year of deputation and God blessed amazingly. A second

missionary was recovering in a rehabilitation center after a fall and Kevin was able to visit and pray with that dear servant of God. In each case, Kevin was reminded how our faithful God protects, strengthens, sustains, and guides His faithful servants. We hope you are encouraged as you see God at work in your life.

## On the Horizon

The God who led us in 2025 will once again direct our steps in a new year of service to our Lord. We are asking God for more spiritual fruit and more laborers for the military mission field. We believe we will meet some as He arranges our meeting schedule and arranges our conversations in churches and Bible colleges. Pray that we will be sensitive to the leading of the Holy Spirit.

## Family News

Our oldest son and his family returned to their church plant in Memot, Cambodia. We thank God for their burden for the Cambodian people. Please pray for God to resolve the unrest between Thailand and Cambodia.

Lord willing, we will host a large family gathering at Christmas time. Family gatherings are such a special gift!

## Praising God for:

- Answered prayers for the safe delivery of a healthy grandson (grandchild number 14!) in late October.
- Continued health and strength during travels and ministry opportunities. God's grace is sufficient!

## Please pray for:

- Wisdom for important ministry related decisions.
- More laborers for the military harvest field.

Thank you as always faithful friends and supporters. We wish you and those you love a blessed Christmas season and a spiritually fruitful start to 2026!
