

MAY 2023 PRAYER LETTER

Men's discipleship

Sunday evenings, our men all meet together for prayer and Bible study. Though the group is not large, it has been a great time of discipleship in the lives of these men. The men who faithfully come are husbands and fathers. They are learning more and more about how to grow in their own faith and understanding of God's word, but also are learning how to lead their families to love and serve the Lord along side of them. Over this past year, we have watched them grow bolder in proclaiming God's word with the people at work or in their neighborhoods. None of these men have much education and are just average men, but it has been a great joy to watch God working in them, molding and making them more and more into His image. **Just as the Lord chose average men as his disciples, our prayer is to see God use these men in mighty ways here in Hincesti, so that only God can receive the glory.** One of our older men, Dimitru, comes to church excited to share the latest thing he has read or learned from God's word. **Please pray for his wife though, as she has been very against him even coming to church. Pray that the change in his life, will draw her to seek God for herself and that he will witness a miracle in his own family.**
