Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

May 2025

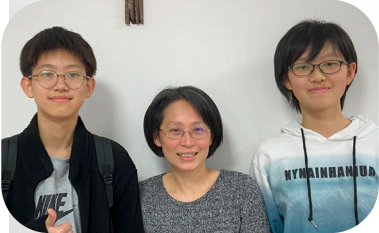

Dear Praying Friends,

God is so wonderful! We are so very thankful for what He has been doing in His church, Hope Baptist in Taiwan. Since our last letter we have seen Him work mightily.

In the beginning of 2024, we wrote about a young lady named Kallista getting saved. She and her boyfriend Kit have been faithfully coming for over a year now. During this time, I had the opportunity to baptize Kallista, and I have talked with Kit on many occasions about his need to be saved. I was always met with, "No, I'm not ready." In March we had Kallista and Kit over to our house for dinner. After dinner I asked Kit again, "Are you ready to get saved?" His answer this time was one I was not expecting. He said, "Yes." I got my Bible and shared with him how he could trust Jesus as his Lord. After a few minutes, he bowed his head and prayed and was saved. Thank you for praying for Kit. Please keep praying for them both. That night Kit told me that his parents will not be

happy to hear about his conversion to Christianity. We are so very thankful for what God is doing.

In March a member of our church, Ruby, came up to me and asked if I would talk with her two teenage children. She asked me to talk to them about their salvation. I was very willing to, of course. Before I continue their story, let me give some background.

Ruby and her husband Bob are founding members of our church. We have seen Lyvia and Wayne grow up. A few years ago, they dropped

out of church. Bob was dealing with a lot of mental issues and it affected their home. They started coming back to church last fall, and I talked with Bob on a few occasions about his need to love his wife and lead his family in a Biblical way. In October, Bob took his own life. Needless to say, that was a very difficult time for the family and for our church. We thank God for a good church that could step up and help a family in need. Because of this, Lyvia and Wayne have had many questions.

Fast forward to March and Ruby asking me to talk with the kids. One Sunday after service I talked with each of them and they both had been relying on their parents' faith and their good works. I shared with them the importance of they themselves needing to put their faith in Jesus. They both prayed and trusted Jesus to save them. Please keep praying for this family: Ruby, Lyvia, & Wayne.

On April 1, we had a special baptism service, followed by the Lord's Supper. I had the opportunity to baptize five people. We are so thankful for the four that have been saved and for the one coming to join the church by baptism.

Please keep praying for the people of Taiwan and for Hope Baptist Church, especially while we are home on furlough. This furlough is much needed for rest. We are also looking forward to reporting to churches. If you would like to schedule a meeting with us, please email me at ja2china@yahoo.com.
